

An Invitation to a Lenten Reflection
Exploring Jesus' Wilderness Experience
guided by Michael Pennington

'Then Jesus was led by the Spirit in the wilderness, where for forty days he was tempted by the devil.' It would seem that what of necessity must follow the realisation and affirmation of Jesus' identity is the process of his working out and testing its implications. It is only as we realise who we are that we can work out what we must do. Mission is consequent to identity. This, it seems, is true for Jesus as indeed it is for each of us. And what is true individually is also true for us corporately as the Faith Community!

I can't believe what I've done!

Believe it or not, I've registered for **The Chocolate Block Challenge** which means I will give up chocolate in March! As someone who eats all the kids Easter eggs before Easter and then has to go out and buy more, (EVERY YEAR!), you will appreciate this sacrifice.

However, my huge sacrifice is supporting a great cause. I'm inspired by the work of **Alzheimer's WA** and want to support them by raising money as part of my participation in **The Chocolate Block Challenge**. I need your help to survive this chocolate agony by giving whatever you can going to www.mycause.com.au type my name in (Kim Thomas) and you'll be able to sponsor me and raise funds for this great organisation.

In advance, I am very sorry for all the things I say while I'm choc-deprived but I appreciate your support. It means a lot! You can also give me cash too if you can't get on the website. **Rev Kim**
