

GOING PLASTIC FREE

Plastic Free July ...
and forever!

The EcoCare Commission has produced an e-resource to help with the transition to a reduced plastics lifestyle, this can be found on the following website. <https://goo.gl/VU29WA>
The website includes an article from our own **Gill Macfarlane and the Mundaring Anglican Parish Social Justice Group** with a pattern to recycle t-shirts etc into shopping bags.

Across the world millions of people each July take a pledge to reduce their use of consumer plastic. We can get involved in this, and you can share it among your parish.

Go to <http://www.plasticfreejuly.org/register.html> to make a pledge.

Show your **support on social media:**

https://www.facebook.com/profilepicframes?query=cleanaway&selected_overlay_id=144084956158144

And there are many more ideas and ways to get support here:
