

## **Daily Prayer Points of the week:**

God of earth and heaven, we give you thanks and praise that you listen when we call on You; hear the prayers we bring for your people.

### **The World.**

We give you thanks and praise for the beauty of the world that you have made, for the intricate detail and design of each interlocking part.

We pray for the world: for respect for its creatures, for wise stewardship of its resources, for just sharing of its bounty.

***Loving God in your mercy, hear our prayer.***

### **Nations**

We give you thanks for the diversity and richness of human life, for creative and sustaining power of human mind and spirit. We pray for the nations: for peace and good will among peoples, for wise and just government, for food for the hungry and shelter for the homeless especially during this Pandemic crisis in our world.

***Loving God, in your mercy, hear our prayer***

### **Church**

We give you thanks and praise for your son, our Saviour, whom you sent to live among us and have been raised from death to life.

We pray for the church, our Archbishop Kay. Bishops Jeremy and Kate, fill them with wisdom and knowledge to lead us. Give your church a spirit of repentance, faithfulness and obedience, power to proclaim your gospel in sacrament, deed and word.

***Loving God, in your mercy, hear our prayer.***

## **Community**

We give you thanks and praise that you are the centre and source of our being, the provider of all we have to share.

We pray for this community: for compassion for the vulnerable, for acceptance for the outcast, for relationships of unselfishness, forgiveness, understanding and love.

***Loving God, in your mercy, hear our prayer.***

## **Needy**

We give you thanks and praise that throughout the ages you have loved your people, caring for them in times of trouble and despair like this Pandemic time.

We pray for all in need: for consolation for the sad and grief for the loss of their loved one, for companionship for the lonely, for comfort for those who are in pain and strength for all who care for them. Front line health workers at this pandemic crisis.

***Loving God, in your mercy, hear our prayer.***

## **Saints**

We give you thanks and praise that you prepared a dwelling place for all who love you, and offer your children the joys of everlasting life.

We remember your faithful servants of every age. Help us to follow their example, that loving you we may set aside all that is displeasing in your eyes, keep your commandments and grow in your ways.

With all your Saints, bring us home to your eternal presence, that we may live for ever in you and with you.

***God of earth and heaven, in your mercy, hear our prayer.***
